Hakkımızda

SERTEK Seramik Fırın ve Makine,

2011 yılında kurulmuş yeni bir şirket olmasına rağmen arkasında **30 yıllık** seramik deneyimi bulunmaktadır.

Tüm ekip üyeleri hem Seramik Sağlık Gereçleri üretiminde hem de Porselen havuz tutamakları ve karoları üretiminde tasarım aşamasından ürünlerin sevk edilmesine kadar olan tüm üretim aşamalarında çalışmışlardır.

Ayrıca, üretimin yanı sıra Kalite Kontrol ve Kalite Güvence, Satın alma, Pazarlama ve Satış fonksiyonlarında da uzun yıllar yöneticilik yaparak hem Türkiye’de hem de dünyada seramik ve porselen üretimi konusunda önemli deneyim kazanmışlardır.

Aynı ekip üyeleri edindikleri tüm bu deneyimi porselen havuz ürünleri konusunda kullanarak porselen havuz ürünleri üretmeye başlamışlardır.

About us

Although Sertekpool is recently founded in 2011, it owns 30 years of experience behind it.

All members of the company have worked on entire processes of manufacturing, from design to distribution of both Ceramic Sanitaryware and Porcelain Pool products.

Besides, taking responsibility of the management of Quality Control and Quality Assurance, Purchasing, Marketing and Sales functions for long years, they gained significant experience in ceramic and porcelain manufacturing in Turkey and the world.

Same team members, have been using all this experience to produce porcelain pool products.
